DO YOU WANT TO TAKE
UNIVERSITY CLASSES ***NOW?***

Take CSUDH credit courses without being admitted to the university. No transcripts, applications, or other documentation are required. Apply credits you earn to a degree later, if you wish.

Test a degree program to see if it suits your educational aspirations.

Improve your grade point average if your first attempt at college courses was less than successful. If you have been disqualified from the university or denied admission because of a grade point deficiency, you can enroll in Open University and get a second chance to show your true potential.

Complete requirements for a degree begun at another university.

What *Open University* is and how it can benefit you...

Through the CSUDH College of Continuing & Professional Education, adults capable of college-level work may enroll in regular CSUDH courses each semester on a space-available basis. There is no formal admission to the University and registration is made easy—you can usually confirm your space in class at the first meeting. Each department may regulate admission to specific classes, but many choices are available.

Open University gives you the freedom to

- Sample a particular field before enrolling in a degree program
- Take courses for professional or personal development
- Improve your grade point average if you have been turned down for admission by the university or have been academically disqualified.
- Get a start on your degree if you missed the application deadline.

Through the Open University program, you can receive credit for your completed course work in any of the lower division, upper division, or graduate courses available to you. The credit you earn can be applied towards a degree within the limits described in the Academic Eligibility and Credit Information section (page 76).

How to Register for *Open University*

1. View the [Fall 2025 Class Schedule](#)
2. Select your class(es).
3. Find the name of your instructor in the class schedule, [look up their email in the campus directory](#), and email the instructor requesting permission to take the class through Open University. Do this as early as possible. If there is no instructor listed, or you cannot get in touch with the instructor, please [contact the department](#).

Note: If you are attempting to take Nursing classes, please contact Jackie McKenzie at jmckenzie@csudh.edu to begin the process. Nursing classes require departmental approval.

Once you have received the email permission, forward the email, along with a [completed Open University Registration Form PDF](#), to ceereg@csudh.edu.

Students cannot enroll until the first day of the term: August 25, 2025.

Call the College of Continuing and Professional Education (CCPE) Registration Office at 310-243-3741 (Option 1), to pay the class fee(s) and complete your registration. At this time, the registration clerk will check if there are seats available in the class. If there are seats available, you will be registered in the class.

Mathematics courses require satisfaction of the University's entry level mathematics requirements. Registration for **Business, Public Administration and Criminal Justice** classes require special approval. Contact the College of Business Administration and Public Policy for more information.

If the University cancels a class, the student will receive a full refund of applicable fees or will be allowed to register in another class without payment of a late fee.

Dishonored Check Policy

The person will be required to pay all university-related debts with a certified check, money order or traveler's check(s) including the \$25 returned check fee. Discrepancies not resolved before final exams may result in loss of credit for the class.

Verification of Enrollment

To verify that you have been officially enrolled in your classes, check the instructor's printed class roster which is published the fourth week of the term. Open University students will appear on the same roster as students enrolled in degree programs. If your name is not on the roster, call the College of Continuing & Professional Education Office immediately. It is the student's responsibility to initiate inquiries regarding his/her registration in a course.

Discrepancies not resolved before final exams may result in loss of credit for the class.

Section 504 of the Rehabilitation Act of 1973

California State University, Dominguez Hills is an equal opportunity/affirmative action institution. As a unit of the university, the College of Continuing & Professional Education does not discriminate on the basis of race, color, religion, national origin, gender, sexual preference, age, disability or veteran status. This policy is applicable to employment and student admission, and to all educational programs and activities.

Privacy Information

The University complies with Federal and State laws concerning privacy rights of students. These rights are summarized in the University Catalog. Questions about privacy rights may be directed to the Dean of Continuing & Professional Education at (310) 243-3737 or the Vice President for Student Affairs at (310) 243-3784.

Use of Social Security Number

CSUDH provides all students with generic 9 digit student ID numbers. These ID numbers are used to identify student records, registration, and to conduct all University business. However, students are

still required to provide the University with their correct social security numbers (individual taxpayer identification numbers) pursuant to the authority contained in Section 41201, Title 5, California Code of Regulations, and Section 6109 of the Internal Revenue Code. The University uses the social security number to identify records pertaining to the student and, if needed, to collect debts owed the University. Also, the Internal Revenue Service requires the University to file information returns that include the student's social security number and other information such as the amount paid for qualified tuition, related expenses, and interest on educational loans. That information is used to help determine whether a student, or a person claiming a student as a dependent, may take a credit or deduction to reduce federal income taxes. Students who do not have a social security number at the time of enrollment will be required to obtain a social security number and submit it to the University within sixty days. Failure to furnish a correct social security number may result in the imposition of a penalty by the Internal Revenue Service.

Immigration Requirements for Licensure

On August 27, 1996, Governor Pete Wilson issued Executive Order W-135-96 which requested that the CSU and other state agencies implement "as expeditiously as reasonably practicable" the provision of The Personal Responsibility and Work Opportunity Reconciliation Act (PRAWORA) of 1996 Reconciliation Act (PRAWORA) of 1996 (P.L.104-193). The Act, also known as the Welfare Reform Act, included provisions to eliminate eligibility for federal and state public benefits for certain categories of lawful immigrants as well as benefits for all illegal immigrants.

Students who will require a professional or commercial license provided by a local, state, or federal government agency in order to engage in an occupation for which the CSU may be training them must meet the immigration requirements of the new Personal Responsibility and Work Opportunity Reconciliation Act to achieve licensure. Information concerning the regulation is available from the Vice President of Student Affairs, (310) 243-3784.

Important Tax Credit Information

If you are enrolled in an eligible degree or certificate program or are taking courses to acquire or improve job skills, you may qualify for a Hope Scholarship or Lifetime Learning Tax Credit. The Hope Scholarship Tax Credit is available only to students in their first two years of postsecondary education who are enrolled at least half-time in an eligible program. The tax credits are based on the amount of qualified tuition and fees, less grants and other tax-free educational assistance and the taxpayer's modified adjusted gross income. Hope credits apply to fees paid after December 31, 1997.

The Lifetime Learning Tax Credit

The Lifetime Learning tax credit is available to students at all educational and enrollment levels who are enrolled at an eligible educational institution. As with the Hope Scholarship tax credit, this opportunity is based on the amount of qualified tuition and fees, less grants and other tax-free educational assistance and the taxpayer's modified adjusted gross income. The Lifetime Learning credit applies to fees paid after June 30, 1998.

Consult IRS Publication 970 or your tax preparer for additional information on both programs.
