INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
California State University, Dominguez Hills Philanthropic Foundation
Carson, California

We have audited the accompanying financial statements of California State University, Dominguez Hills Philanthropic Foundation, which comprise the statement of financial position as of June 30, 2016, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

INDEPENDENT AUDITORS' REPORT - Continued

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of California State University, Dominguez Hills Philanthropic Foundation as of June 30, 2016, and the respective changes in financial position and cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matter

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The GASB Schedule of Net Position, GASB Schedule of Revenues, Expenses and Changes in Net Position, and Other Information are presented for purposes of additional analysis and are not a required part of the basic financial statements. The GASB Schedule of Net Position, GASB Schedule of Revenues, Expenses and Changes in Net Position, and Other Information are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the GASB Schedule of Net Position, GASB Schedule of Revenues, Expenses and Changes in Net Position, and Other Information, and other information are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2016**

1. ORGANIZATION

Nature of Organization

California State University, Dominguez Hills Philanthropic Foundation is a 501(c)3 non-profit corporation that exists to actively promote, pursue and steward private support for the advancement of California State University, Dominguez Hills. The California State University, Dominguez Hills Philanthropic Foundation is an auxiliary organization of California State University, Dominguez Hills.

As of June 30, 2016, the officers of the California State University, Dominguez Hills were:

- Dr. Willie J. Hagan, Chair of the Board of Directors
- Ms. Carrie Stewart, Executive Director and Secretary-Treasurer of the Board of Directors
- Dr. Russel D. Statham, Chief Financial Officer

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Reporting

The California State University, Dominguez Hills Philanthropic Foundation prepares its financial statements in accordance with generally accepted accounting principles (GAAP) promulgated in the United States of America. The significant accounting and reporting policies used by The California State University, Dominguez Hills Philanthropic Foundation are described below to enhance the usefulness and understandability of the financial statements.

Financial Statement Presentation

The financial statements are presented based on Accounting Standards Codification (ASC) Topic 958, *Not-for-Profit Entities*. ASC Topic 958, Sections 210 and 225 requires classification of the California State University, Dominguez Hills Philanthropic Foundation's net assets, revenues as well as expenses based on the existence or absence of donor-imposed restrictions. The statement requires presentation of the amounts for each of the three classes of net assets – permanently restricted, temporarily restricted, and unrestricted – in the statement of financial position and the amounts of change in each of those classes of net assets in the statement of activities.

Net Assets

The financial statements report net assets and changes in net assets in three classes that are based upon the existence or absence of restrictions on use that are placed by its donors, as follows:

- *Unrestricted net assets.* Unrestricted net assets are resources available to support operations. The only limits on the use of unrestricted net assets are the broad limits resulting from the nature of the organization, the environment in which it operates, the purposes specified in its corporate documents and its application for tax-exempt status, and any limits resulting from contractual agreements with creditors and others that are entered into in the course of its operations.

**CALIFORNIA STATE UNIVERSITY, DOMINGUEZ HILLS
PHILANTHROPIC FOUNDATION
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2016**

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

- *Temporarily restricted net assets.* Temporarily restricted net assets are resources that are restricted by a donor for use for a particular purpose or in a particular future period. The California State University, Dominguez Hills Philanthropic Foundation's unspent contributions are classified in this class if the donor limited their use, as is the unspent appreciation of its donor-restricted endowment funds. When a donor's restriction is satisfied, either by using the resources in the manner specified by the donor or by the passage of time, the expiration of the restriction is reported in the financial statements by reclassifying the net assets from temporarily restricted to unrestricted net assets. Net assets restricted for acquisition of buildings or equipment (or less commonly, the contribution of those assets directly) are reported as temporarily restricted until the specified asset is placed in service by the California State University, Dominguez Hills Philanthropic Foundation, unless the donor provides more specific directions about the period of its use.

- *Permanently restricted net assets.* Permanently restricted net assets are resources whose use by the California State University, Dominguez Hills Philanthropic Foundation is limited by donor-imposed restrictions that neither expire by being used in accordance with a donor's restriction nor by the passage of time.

All revenues and net gains are reported as increases in unrestricted net assets in the statement of activities unless the use of the related resources is subject to temporary or permanent donor restrictions. All expenses and net losses other than losses on endowment investments are reported as decreases in unrestricted net assets.

Cash and Cash Equivalents

Cash and cash equivalents consist primarily of deposits with the California State University, Dominguez Hills Foundation, a related party organization that provides accounting and management services for the California State University, Philanthropic Foundation. The California State University, Dominguez Hills Foundation holds these funds on behalf of the Philanthropic Foundation, and a substantive portion of its reported cash and cash equivalents is composed of the cash and cash equivalents it holds on behalf of the auxiliary organizations of the California State University, Dominguez Hills campus, including the Philanthropic Foundation.

Investments

California State University, Dominguez Hills Philanthropic Foundation accounts for investments in equity securities with readily determinable fair values, investments in debt securities, and investments in alternative investments at fair value, with gains and losses included in the statement of activities. Gains and losses on investments are reported in the statement of activities as increases or decreases in unrestricted net assets, unless their use is temporarily or permanently restricted by donor-imposed stipulations.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Accounts Receivables

Receivables consist of travel and purchase advances for campus program donations accounts. The California State University, Dominguez Hills Philanthropic Foundation uses the allowance method of accounting for receivables determined to be potentially uncollectable. In management's opinion, all receivables were collectible at year-end and therefore no allowance has been established.

Gift Annuity Receivable

California State University, Dominguez Hills Philanthropic Foundation holds a gift annuity receivable with the California State University Foundation. The California State University Foundation maintains the CSU Charitable Gift Annuity Program and the related receivable represented on the financial statements is for the present value of the amounts designated for the benefit of the California State University, Dominguez Hills Philanthropic Foundation.

Accounting for Contributions

Contributions, including unconditional promises to give, are recognized when received. All contributions are reported as increases in unrestricted net assets unless use of the contributed assets is specifically restricted by the donor. Amounts received that are restricted by the donor to use in future periods or for specific purposes are reported as increases in either temporarily restricted or permanently restricted net assets, consistent with the nature of the restriction. Unconditional promises with payments due in future years have an implied restriction to be used in the year the payment is due, and therefore are reported as temporarily restricted until the payment is due unless the contribution is clearly intended to support activities of the current fiscal year or is received with permanent restrictions. Conditional promises, such as matching grants, are not recognized until they become unconditional, that is, until all conditions on which they depend are substantially met.

Property and Equipment

California State University, Dominguez Hills Philanthropic Foundation does not hold, manage, or utilize any property, plant, or equipment items. California State University, Dominguez Hills Philanthropic Foundation does not hold any fixed assets.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Revenue Recognition

Revenues for services provided are recognized when earned by the California State University, Dominguez Hills Philanthropic Foundation. All gifts, bequests, and other public support are included in unrestricted net assets unless specifically restricted by the donor or the terms of the gift or grant instrument. Amounts received in excess of balances earned are recognized as liabilities.

Revenue received where the restriction is met in the same fiscal year is reported under unrestricted net assets.

Income Taxes

The California State University, Dominguez Hills Philanthropic Foundation is exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code and California income taxes under section 23701(d) of the California Revenue and Taxation Code. The IRS classified the organization as one that is not a private foundation within the meaning of section 509(a) of the Code because it is an organization described in section(s) 509(a)(1) and 170(b)(1)(A)(vi).

The California State University, Dominguez Hills Philanthropic Foundation has adopted Financial Accounting Standards Board Accounting Standards Codification (ASC) Section 740-10, which clarifies the accounting for uncertainty in income taxes. ASC Section 740-10 prescribes a recognition threshold and measurement attribute for the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. ASC Section 740-10 requires that an organization recognize in the financial statements the impact of the tax position if that position will more likely than not be sustained on audit, based on the technical merits of the position. As of and for the year ended June 30, 2016, the California State University, Dominguez Hills Philanthropic Foundation had no material unrecognized tax benefits, tax penalties or interest.

The California State University, Dominguez Hills Philanthropic Foundation's Forms 990, *Return of Organization Exempt from Income Tax*, are generally subject to examination by the IRS for 3 years after they are filed.

Functional Expenses

For the year ended June 30, 2016, the California State University, Dominguez Hills Philanthropic Foundation's expenses were allocated between programs and management as follows:

Program	\$ 1,571,514
General and Administrative	<u>123,363</u>
Total Functional Expenses	<u>\$ 1,694,877</u>

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Endowment investments

Endowment investments consist of investments purchased with the following resources:

- Donor-restricted permanent endowments, which are contributions restricted by donors to investment in perpetuity with only investment income and appreciation being used to support California State University, Dominguez Hills Philanthropic Foundation's activities.
- Donor-restricted term endowments, which are contributions restricted by donors to investment for the term specified by the donor. During that term, the donor may either require investment income and appreciation to be reinvested in the fund, or may permit California State University, Dominguez Hills Philanthropic Foundation to spend those amounts in accordance with the donor's restrictions on use.
- Board-designated endowments, which are resources set aside by the Board of Directors for an indeterminate period to operate in a manner similar to a donor-restricted permanent endowment. Because a board-designated endowment results from an internal designation, it can be spent upon action of the Board of Directors.

Endowment investments also include investments purchased with unspent investment income and net gains on these resources.

Endowment investments are reported at fair value. The fair value for investments in equity securities traded on national securities exchanges is determined by the closing price on the last business day of the fiscal year; securities traded on the over-the-counter market are valued at the last reported bid price. The fair value of shares in exchange-traded funds is determined by the closing price on the last business day of the fiscal year. The fair value of open-end mutual fund units is determined by the published net asset value per unit at the end of the last trading day of the fiscal year.

The investment and spending policies for the Endowment Funds are discussed in Note 5.

Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of revenues and expenses during the reporting period and the reported amounts of assets and liabilities at the date of the financial statements. On an ongoing basis, California State University, Dominguez Hills Philanthropic Foundation's management evaluates the estimates and assumptions based upon historical experience and various other factors and circumstances. California State University, Dominguez Hills Philanthropic Foundation's management believes that the estimates and assumptions are reasonable in the circumstances; however, the actual results could differ from those estimates.

Fair Value Measurements

The California State University, Dominguez Hills Philanthropic Foundation reports its fair value measures using a three-level hierarchy that prioritizes the inputs used to measure fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal or most advantageous market at the measurement date under current market conditions regardless of whether that price is directly observable or estimated using another valuation technique. Inputs used to determine fair value refer broadly to the assumptions that market participants would use in pricing the asset or liability including assumptions about risk. Inputs may be observable or unobservable. Observable inputs are inputs that reflect the assumptions market participants would use in pricing the asset or liability based on market data obtained from sources independent of the reporting entity. Unobservable inputs are inputs that reflect the reporting entity's own assumptions about the assumptions market participants would use in pricing the asset or liability based on the best information available. This hierarchy, established by GAAP, requires that entities maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The three levels of inputs used to measure fair value are as follows:

- *Level 1* - Quoted prices for identical assets or liabilities in active markets to which the California State University, Dominguez Hills Philanthropic Foundation has access on the measurement date.
- *Level 2* - Inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly. Level 2 inputs include
 - quoted prices for similar assets or liabilities in active markets;
 - quoted prices for identical or similar assets in markets that are not active;
 - observable inputs other than quoted prices for the asset or liability (for example, interest rates and yield curves); and
 - inputs derived principally from, or corroborated by, observable market data by correlation or by other means.
- *Level 3* - Unobservable inputs for the asset or liability. Unobservable inputs should be used to measure the fair value to the extent that observable inputs are not available.

The carrying amounts of cash and cash equivalents and accounts receivable approximate fair value because of the terms and relatively short maturity of these financial instruments. The carrying amounts of liabilities, approximate fair value because of the relatively short maturity of these financial instruments.

When available, the California State University, Dominguez Hills Philanthropic Foundation measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

3. ENDOWMENT INVESTMENTS

California State University, Dominguez Hills Philanthropic Foundation measures fair value in accordance with FASB ASC 820-10. FASB ASC 820-10 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels; Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs, other than the quoted prices in active markets, are observable either directly or indirectly, and Level 3 unobservable inputs in which there is little or no market data, which requires California State University, Dominguez Hills Philanthropic Foundation to develop its own assumptions. California State University, Dominguez Hills Philanthropic Foundation uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, California State University, Dominguez Hills Philanthropic Foundation measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are only used when Level 1 or Level 2 inputs are not available. All assets reported at fair value at June 30, 2016, are Level 1 inputs.

Endowment investments consist of the following at June 30, 2016:

Asset Class	Total	Quoted Prices in Active Markets for Identical Assets (Level 1)
Equities	\$ 900,262	\$ 900,262
Mutual Funds	5,111,698	5,111,698

Alternative Investments	<u>2,623,029</u>	<u>2,623,029</u>
Total	<u>\$ 9,008,988</u>	<u>\$ 9,008,988</u>

At June 30, 2016, California State University, Dominguez Hills Philanthropic Foundation does not have any investments measured using Level 2 or Level 3 inputs.

4. RESTRICTED NET ASSETS

Temporarily restricted net assets at June 30, 2016, consist of amounts restricted by donor-imposed stipulations as follows:

Purpose	Balance 6/30/15	Income	Expenditures	Balance 6/30/16
Scholarships	\$ -	\$ 2,607,340	\$ 920,331	\$ 1,687,009

Total	<u>\$ -</u>	<u>\$ 7,881,866</u>	<u>\$ 2,195,463</u>	<u>\$ 5,686,403</u>

Permanently restricted net assets at June 30, 2016, are resources invested in perpetuity, the income of which is available for the following purposes:

<u>Donor Source</u>	<u>Amount</u>
Corporate	\$ 1,784,286
Foundation	2,698,000
Individual	2,646,203
Organization	1,916,954
University	866,449
Other	<u>231,957</u>
Total Endowment Funds*	<u>\$ 10,143,849</u>

* The \$10,143,849 figure includes additions to the endowment of \$462,983 received and/or accrued during the fiscal year. The funds are received into the operating bank account and then subsequently wired to the investment portfolio. As of 6/30/16, \$264,937 had been wired into the portfolio. The remaining \$198,046 will be wired into the portfolio in the beginning of FY 2016-17. This was due to timing of receipts and year-end processing deadlines.

Earnings from the fund may be used by California State University, Dominguez Hills Philanthropic Foundation for the specific purposes articulated in the endowment agreements. As required by GAAP, net assets associated with endowment funds, including funds designated by the Board of Directors to function as endowments are classified and reported based on the existence or absence of donor-imposed restrictions.

5. ACCOUNTING FOR ENDOWMENT FUNDS

California State University, Dominguez Hills Philanthropic Foundation follow the provisions of ASC 958 Section 205-45, *Reporting Endowment Funds*. These provisions provide guidance on the net asset classification of donor-restricted endowment funds for a non-for-profit organization that is subject to an enacted version of the Uniform Prudent Management of Institutional Funds Act of 2006 (UPMIFA) and also required disclosures about endowment funds, both donor-restricted endowment funds and board-designated endowment funds.

Investment and Expenditure Policy

California State University, Dominguez Hills Philanthropic Foundation's Endowment Fund is made up of three components: 1) Donations received that are specifically designated by the donor to the Endowment Fund. These funds are permanently restricted and the corpus may not be invaded except in case of financial exigency. 2) Board-designated funds – these funds are designated by the Board from California State University, Dominguez Hills Philanthropic Foundation's operating reserves and are unrestricted assets, but considered part of the Endowment Fund. 3) Earnings from investment of both permanently restricted and unrestricted endowment funds. Earnings are considered temporarily restricted.

California State University, Dominguez Hills Philanthropic Foundation's endowment consists of 83 individual funds established either by donors (referred to as *donor-restricted endowment funds*) or by resources set aside by the Board of Directors to function as endowments (referred to as *board-designated endowment funds*). Donor-restricted endowment funds are further divided into those that provide a perpetual source of support for California State University, Dominguez Hills Philanthropic Foundation's activities (referred to as *permanent endowments*) and those that are restricted by donors to investment for a specified term (referred to as *term endowments*). As required by GAAP, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

Interpretation of Relevant Law

The Board of Directors of California State University, Dominguez Hills Philanthropic Foundation have interpreted State Prudent Management of Institutional Funds Act (SPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted permanent endowment funds unless there are explicit donor stipulations to the contrary. As a result of this interpretation, California State University, Dominguez Hills Philanthropic Foundation classifies as permanently restricted net assets (a) the original value of gifts donated to all donor-restricted permanent endowments, (b) the original value of any subsequent gifts to donor-restricted permanent endowments, and (c) the original value of accumulations to donor-restricted permanent endowments made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund.

5. ACCOUNTING FOR ENDOWMENT FUND – Continued

The net assets reflected above do not reflect current market values of the assets. The current market values of the assets of the endowment are reported on the Statement of Financial Position under “Endowment Investments” in the non-current assets category. As of June 30, 2016, the fair market value of the assets in the portfolio was \$9,008,988.

From time to time, the fair value of assets associated with individual donor restricted endowment funds may fall below the level that the donor or SPMIFA requires California State University, Dominguez Hills Philanthropic Foundation to retain as a fund of perpetual duration. Deficiencies of this nature are reported in temporarily restricted net assets, when applicable. The overall endowment was underwater by \$936,815 at June 30, 2016.

6. EMPLOYMENT AND BENEFITS

California State University, Dominguez Hills Philanthropic Foundation has no employees and as such has no compensation or benefits payable. All administrative activities performed on behalf of the California State University, Philanthropic Foundation are undertaken by either a) employees of the California State University, Dominguez Hills Foundation under a Business Services Agreement or b) employees of California State University, Dominguez Hills under a Cost Recovery Agreement in accordance with Executive Order 1000 of the California State University.

7. RELATED PARTY TRANSACTIONS

California State University, Dominguez Hills Philanthropic Foundation receives various services from the California State University, Dominguez Hills Foundation and California State University, Dominguez Hills. These services are appropriately billed to the California State University, Dominguez Hills Philanthropic Foundation and recovered via payments to these entities. Amounts payable to the California State University, Dominguez Hills Foundation and the California State University, Dominguez Hills were \$0 and \$21,344, respectively as of June 30, 2016.

8. SUPPLEMENTARY INFORMATION

California State University, Dominguez Hills Philanthropic Foundation has prepared various required supplementary information and schedules in accordance with the requirements of The California State University. This information is provided for inclusion in the financial statements of The California State University. The information is converted into Governmental Accounting Standards Board (GASB) format from Financial Accounting Standards Board (FASB) format, for which the California State University, Dominguez Hills Philanthropic Foundation operates and prepares its own financial statements.

9. CONCENTRATION RISK

California State University, Dominguez Hills Philanthropic Foundation maintains its cash accounts with the California State University, Dominguez Hills Foundation, which utilizes Wells Fargo Bank, N.A. as its primary banking provider, in addition to the Local Agency Investment Fund (LAIF) administered by the State of California Office of the Controller. As such, the California State University, Dominguez Hills Philanthropic Foundation is exposed to credit risk for amounts exceeding amounts insured by the Federal Deposit Insurance Corporation. California State University, Philanthropic Foundation has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk for cash and cash equivalents.

California State University, Dominguez Hills Philanthropic Foundation's investments are subject to various risks, such as interest rate, credit, and overall market volatility risks. Further, because of the significance of the investments to California State University, Dominguez Hills Philanthropic Foundation's financial position and the level of risk inherent in most investments, it is reasonably possible that changes in the values of these investments could occur in the near term and such changes could materially affect the amounts reported in the financial statements. Management is of the opinion that the diversification of its invested assets among the various asset classes should mitigate the impact of changes in any one class.

10. SUBSEQUENT EVENTS

The California State University, Dominguez Hills Philanthropic Foundation has evaluated events subsequent to June 30, 2016, to assess the need for potential recognition or disclosure in the financial statements. Such events were evaluated through September 8, 2016, the date the financial statements were available to be issued. Events occurring after that date have not been evaluated to determine whether a change in the financial statements would be required. Based upon this evaluation, it was determined that no subsequent events occurred that require recognition or additional disclosure in the financial statements.
