EMPLOYMENT AND SPECIAL TRAINING

June 2018-Present President
California State University, Dominguez Hills

Responsibilities: Provide executive leadership and management to a campus of 16,000 students within a strong shared governance environment and build productive and sustainable relationships across CSUDH, within the local community and throughout the CSU system. Highly committed to diversity and inclusion with an unwavering focus on student success and the mission of CSU. Working closely with campus constituents to leverage its current momentum and success by executing the campus's strategic plan. Remain knowledgeable and respectful of the institution's social justice roots and how its founding continues to influence its culture and relationship with the local community. Maintain momentum and continuity and further build strategic initiatives across the university. Provide a student centered, inclusive campus environment. Embrace and support transparency, inclusivity and diversity. Partner with community on economic development and fundraising initiatives and advocate for more resources. CSUDH's has a unique identity to become a national model for its contributions to the public good and resolute commitment to low-income, minority, first generation and adult college students.

September 2011-June 2018: Vice Chancellor, Student Affairs
University of California Irvine

Responsibilities: Provide transformative and strategic leadership and oversight of the division of student affairs comprising units with Enrollment services, Student Life and Leadership/Dean of Students operations, Wellness, Health & Counseling Services, and Auxiliary Services.

Management of over 1,000 employees (740 permanent FTE and 350 contract) and approximately \$225 million in fiscal resources derived from student fees, auxiliary income, contracts and grants, philanthropic gifts and donations. General oversight and direction of student co-curricular learning, programmatic initiatives and leadership development opportunities. Serve on the Chancellor's Cabinet; provide advice to Chancellor on a range of issues impacting the entire campus; collaborate with academic Deans and Schools on strategic initiatives, and help to foster a climate of intellectual curiosity, emotional stimulation, and inclusion. Collaborate with Campus Police and university emergency preparedness personnel to maintain policies and operations for the safety and security of the campus community. Represent UCI at outreach events targeting the recruitment and enrollment of out-of-state and international students. Engage UCI Foundation, philanthropic community and potential donors in support of university fund-raising campaigns and philanthropic goals for the campus.

COMMITTEES AND SERVICE UC IRVINE:

Advisory Council on Campus Climate, Culture and Inclusion Building Advisory Committee
Chancellor's Advisory Committee Enrollment Council
International Student Task Force
Chair, UCI 50th Anniversary Planning Committee

UC SYSTEMWIDE:

Chair, Student Mental Health Oversight Committee (SMHOC)
Student Health Insurance Committee (SHIP)
Global Climate Leadership Council (GCLC) UCOP
Transfer Action Team (UC TAT)

Chair, Vice Chancellors Student Affairs Council

September 2010-September 2011: Interim Vice Chancellor, Student Affairs
University of California, Irvine

Responsibilities: Strategic leadership and oversight of the division of student affairs comprising units with Enrollment services, Dean of Students operations, Wellness, Health & Counseling Services, and Auxiliary Services units. Management of over 1,200 employees (898 permanent FTE and 350 contract) and nearly \$160 million in fiscal resources derived from student fees, auxiliary income, contracts and grants, and philanthropic gifts and donations. Provided general

oversight and direction on co-curricular learning, and leadership development opportunities for students. Served on the Chancellor's Cabinet; advised the Chancellor on a range of issues impacting the entire campus; collaborated with academic Deans and Schools on strategic initiatives, and helped to foster a climate of intellectual curiosity, emotional stimulation, and inclusion. Engage UCI Foundation and donor community.

March 1996-September 2010: Assistant Vice Chancellor, Counseling and Health Services
University of California, Irvine

Responsibilities: Managed and provided oversight to student service units which provide counseling and health services to students and alumni. Duties included: oversight and supervision of the Career Center, the Counseling Center, the Student Health Center, Campus Assault Resource Program, and the Health Education Center; managed approximately 60 FTE staff and over \$10 million in budgets; developed and implemented policy which promoted a greater level of wellness for the campus; served as a senior manager for the Vice Chancellor for Student Affairs; provided direct service to students through individual counseling and academic instruction; coordinated and managed campus-wide crisis response network; contributed to the overall recruitment and retention of UCI students.
During the 1999-2001 academic years, served simultaneously as the Acting Director of the Student Health Center.

July 1990-March 1996: Director, Career and Life Planning Center and Director of the Counseling Center
University of California, Irvine

September 1990 to 2007: Director, Counseling Center

Responsibilities: Management of a mental health service delivery unit which provided individual and group psychotherapy, crisis response, program development and outreach, and academic instruction. Oversight of clinical service and training functions; provided consultation and advice to other campus units. Managed a budget in excess of \$625,000; developed and coordinated campus policies on psychological service delivery; provided general supervision and direction for a staff of fourteen professional and four support staff.

July 1985 to March 1996: Director, Career and Life Planning Center

Responsibilities: Managed a major student affairs units responsible for addressing the career development needs of UCI students and alumni. Duties included supervising 14.5 FTE staff; managed a budget in excess of \$710,000; developed and implemented policies which shaped the goals and direction of the Center; provided service delivery to individual students, including individual and group career counseling, testing and assessment, and workshop delivery; significant interaction with philanthropic community; employment development.
