Master of Arts in Psychology Thesis Proposal Approval Form

Prior to a student registering for Master's Thesis course credit, a committee must be formed. Once a student has a proposed thesis approved by the supervising committee, the student should complete this form and secure the required signatures. The form should be sent by the Committee Chairperson to the Coordinator of the Master of Arts in Psychology program, for signature, then to the program Department Chairperson. Upon final approval, the student is then permitted to register for thesis credits. A copy of the form is sent to the student and the MA Psychology Coordinator after all signatures are secured.
