Student disAbility Resource Center Registration Process

Step 1: Required Forms and Disability Documentation

The student is required to submit the following:

- Application for Services (see Forms)
- Disability documentation (see Disability Documentation Guidelines)
- Print-out of current class schedule (See Forms)

*Forms and documents can be sent by mail, in person, email, or fax. (See Contact Us)

Step 2: Eligibility for Services Review

Once the complete packet of required forms and documentation is received in our office, SdRC will review to determine eligibility for services. The student will be contacted if additional documentation is required to determine eligibility.

Step 3: Orientation Appointment

The student will be contacted to meet with a Disability Management Advisor for Orientation regarding the procedures & policies for use of the approved accommodations and services. The student must complete their Orientation(s) before they can use their approved accommodations.
