

### **To Do List for Students Planning on Transferring to CSUDH**

- 1. With questions concerning applying and/or transferring to CSUDH go online to University Outreach and Information website or call (310) 243-3422. They will respond to all questions regarding transferring from ECC to CSUDH such as dates to apply for admission, units required, if a requirement is not fulfilled etc.**
- 2. If all unit requirements are fulfilled with the exception of Math, the student must have a recent LD assessment (within 5 years including compu-scores for the WJ Tests of Achievement and WAIS Tests of Ability.)**
- 3. If a student is requesting a math course substitution they must have applied and received a conditional acceptance with a CSUDH ID#.**
- 4. If #s 2&3 are complete the student can fax that information to (310) 516-4247 with their phone or email contact # and I will respond with evaluation of the submitted documentation and schedule an appointment at my office at SdRC CSUDH.**
- 5. If a student has a question that is not addressed in the above information they can call the SdRC office at CSUDH (310) 243-3660.**
