Student’s Name: ________________________

Proposed ESA: _________________________

Information about the Student’s Disability
Does the student require ongoing treatment?

When did you first meet with the student regarding their mental health diagnosis?

When was the last time you saw the student?

Information about the Proposed ESA.
Is the animal one that you specifically prescribed as part of treatment for the student, or is it a pet that you believe will have beneficial effects for the student while attending Dominguez Hills?

What symptoms will be reduced by having the ESA?

Is there evidence that an ESA has helped this student in the past or currently?
Are there other accommodations that could alleviate the student’s symptoms in the same way(s) as an ESA?

**Importance of ESA to Student’s Well-Being**
In your opinion, how important is it for the student’s well-being that an ESA be in the residence on campus?

What consequence, in terms of disability symptomology, may result if the accommodation is not approved?

Have you discussed the responsibilities associated with properly caring for an animal while engaged in typical college activities? Do you believe those responsibilities might exacerbate the student’s symptoms in any way?

**Accommodation Recommendations**
Are there any other accommodations you would recommend that would help the student in an educational setting?
