PSA on Closed Captioning for Deaf Awareness

*Presenters:* Christy Van der Henst, David Dominguez, Kasandra Jimenez, Lizeth Moran, Kaya Stone
*Class:* ANT312

Tik Tok, Instagram, Facebook, YouTube, our online environment is constantly finding ways to share more and more videos. However, many don’t have support in place for the hearing impaired community. This PSA calls to attention the videos that the hearing impaired have to navigate without closed captioning and calls for creators to take an extra step to add closed captioning to their videos.
