

RN-BSN Curriculum Revision Summary Effective Spring 2021

Spring 2021 Grads and beyond:

- Student with graduation dates Spring 2021 and beyond can begin planning for the upcoming change by avoiding taking classes that will no longer be required under the new curriculum.
- BSN 452 is replacing BSN 430, BSN 450 & BSN 451 (BSN 452 will not require a clinical component)
 - If you have taken any of the following combinations, plan to take the missing coursework during the Summer 2020 or Fall 2020 semesters:
 - BSN 430 **but not** BSN 450/451 = take BSN 450/451 in the Fall
 - BSN 450 & BSN 451 **but not** BSN 430 = take BSN 430 in the Fall
 - BSN 430 and 450 **but not** BSN 451 = take BSN 451 in the Fall

Current Curriculum – Applies to Spring, Summer & Fall 2020 Graduates (Class name/number, # of units)	New Curriculum – Spring 2021 and Beyond (Class name/number, # of units)
BSN 302: Concepts of Professional Nursing (3)	BSN 302: Concepts of Professional Nursing (3)
BSN 306 Cultural Diversity in Healthcare (3) <i>UD GE</i>	BSN 306: Cultural Diversity in Healthcare (3) <i>UD GE</i>
