About Us

Beacon Day School is more than a school; we are a progressive educational community comprised of compassionate and highly trained professionals. Beacon Day School believes every student is entitled to a meaningful, high-quality education in a safe, accommodating and compassionate learning environment designed to foster growth and progress in every individual. Our mission is to serve students with autism and related disorders and their families by providing an exceptional, innovative, and student-centered education in a safe, collaborative and compassionate environment.

Beacon Day School is an equal employment opportunity employer that offers the following benefits:

- Medical, Dental, Vision plans;
- Life Insurance
- 401 K
- Paid Time Off
- School is in session 220 days a year (vs. 180 days at a school district)
- Opportunities for BCBA supervision

Essential Duties and Responsibilities:

Beacon Day School currently has an opening for a Registered Nurse (RN). The Registered Nurse (RN) provides nursing care to students with autism and related developmental disabilities in a school and community settings. The RN is responsible for identifying medical needs of students, balancing multiple medical requests, educating themselves and others as student's health issues arise, supervising LVN staff and planning for immediate and regular nursing care. The RN is a key source of communication between LVN staff, school management team and student parent. This individual will contribute to organizational and departmental continuous performance and quality improvement projects.

Requirements:

- Must be a registered nurse in the state of California
- Bachelor of Science in Nursing (BSN) from an accredited four (4) year college / university is required;
- Two (2) plus years of nursing experience in the developmental disabilities field.
