STUDENT ANNOUNCEMENTS

Password Rule Changes and Expiration Notification
During the winter session, the campus underwent an information security audit by the CSU and the California National Guard Information Security Assessment teams. The results of this audit and the proposed campus corrections has accelerated a number of IT Security related project deployments. Beginning March 26, 2018, Information Technology will begin notifying users by email when their campus account password is about to expire. Starting at 30 days prior to expiration, users will receive daily reminders until they change their campus account password. For Further
