Requisitions (After the Fact Submittal)

- AKA "Confirming Order"
- Occurs when a University Employee places an order directly with the vendor for goods and/or services without the issuance of an authorized Purchase Order by Procurement and Contracts. A requisition is entered into PeopleSoft After-the-Fact in an attempt to pay the vendor.
- It is an unauthorized commitment of University funds.
- Your requisition will be cancelled.
- Unauthorized Purchase Approval Request Form will be required (<u>https://www.csudh.edu/procurement/procurement-contracts/purchasing-policy</u>)

Why are After-the-Fact Purchases an Issue?

1. After-the-Fact purchases are a violation of State Law and CSU policy

The authority to purchase goods, services or to enter into contracts is delegated as follows:

- a. State law (Education Code § 89036, Public Contract Code § 10430(a), 12100.5, and 12120)
- b. Board of Trustees of the CSU (Standing Orders of the Board of Trustees (S.O.), Chapter II)
- c. Chancellor of the CSU (ICSUAM 5101)
- d. Presidents (Executive Order 775 & ICSUAM 5102)
- e. Vice President/CFO and Associate Vice President, Administration and Finance
- f. Procurement (Ensures that all activity is consistent with ICSUAM policies)

Violations of these laws and policies can result in the individual being personally responsible for payment.

Why are After-the-Fact Purchases an Issue?

- 2. Audit finding
 - Delegation of Authority
 - Invoices that predate PO's
- 4. Potential Liability
 - Insurance (Risk Assessment)
 - Unfavorable terms and conditions signed by University personnel
 - Protecting the University
- 5. Missed Opportunities
 - Potential Procurement Benefit (Cost Savings)
 - Favorable Terms
- 6. Affects Supplier Relationships
 - Late Payment = Bad Reputation
 - Undermines the strong working relationships the University strives to create and sustain with its supplier partners.

Requisition Processing Delays

- Insufficient Information
 - <u>Vendor Data Record Form</u> (if a new vendor)
 - Independent Contractor Form (if applicable)
 - <u>Hospitality Form</u> (if applicable)
 - Vendor Contact Information (Contact Name, Phone, Email)
 - Quote/Proposal (not attached)
 - Pricing Discrepancies
- Quotes Older Than 30 Days
- Insurance Requirements (majority of services)
- Terms and Conditions Negotiations
- Informal/Formal Solicitation Process
- Department approvals from IT, ATI, Security, Furniture, etc.

Prohibited Practices

- After-the-Fact Purchases
- No employee shall place orders outside their limited delegation (P-card, Direct Pay).
- No employee may make or participate in decisions where there is a personal financial interest.
- Endorsements of products or services (Requires General Counsel approval)
- Restrictive specifications
- Splitting of orders to circumvent bidding policy
- Advance Payments* (allowed case by case)
