CSU Travel Policy Changes for M&IE

Effective January 1, 2024, our campus will be implementing CSU travel policy changes for Meals and Incidental Expenses (M&IE) per diem. All employee travelers who submit an Expense Report within Concur or via “paper travel,” as well as all non-employee travelers who submit “paper travel” are impacted by the per diem changes. If you are traveling as part of official Group Travel and all meals are being covered by the group leader, no changes will be experienced.

What Changes will I Experience?

Until now, per diem was utilized for international travel along with travel to Alaska, Hawaii, and US territories. Beginning 1/1/24, per diem is used for domestic locations but only for Meals & Incidental expenses (M&IE). Both international and domestic will now use per diem. Lodging is still available up to \$275/ night. There may be added restrictions within the departments or colleges.

What do I do if I need help processing travel?

In-person Concur trainings will be available bi-monthly through the end of June. Schedule is posted on the main DH [Concur site](#).

Recommendation for quickest/easiest preparation of Expense Report:

- Book in Concur, and
- Pay for meals out-of-pocket rather than using a Travel Card

Adding Meals & Incidentals, Effective January 1, 2024

Travelers submitting an Expense Report will process travel meals in the following ways:

- Employee

- Paper travel prior to 1/1/2024: no change
- Concur Travel prior to 1/1/2024: Select Expense Type for meals prior to 1-1-24

- Travel on or after 1/1/2024: See Meal instructions [here](#) under “Adding Expenses to the Report”

- Non-employee

- Travel prior to 1/1/2024: no change
- Travel on or after 1/1/2024: use new 2024 Travel Claim Worksheet ([forms](#))

P-card Policy Updates, Effective January 1, 2024

1. The Conflict-of-Interest Form will be required upon request of a new P-card instead of annually.
2. Home Deliveries for supplies are only authorized through Staples for employees working remotely.
3. If cardholders use the P-card to make personal purchases, the cardholder will be required to reimburse the campus using personal funds within the same reconciliation period.
4. Policy Infractions
 - a. Cardholders will now be provided a 5-day grace period to submit missing reconciliation information before resulting in a policy infraction, except as listed in item “b” below.
 - b. A list of actions that will result in automatic infractions includes (*regardless of the 5-day grace period*):
 - Non-adherence to the p-card policy without prior approval from the Director of Procurement and Contracts or P-card Administrator.
 - Missing p-card reconciliation packet. **The employee’s P-card will be temporarily suspended until a complete reconciliation packet is received.**
 - Purchase of a Prohibited item (see Section XI).
 - Personal purchases must be reimbursed to the campus, see Section XII. **The cardholder will continue to receive a monthly infraction until the reimbursement is completed.**
 - Unallowed state expenditure must be reimbursed to the campus with Auxiliary funds. The cardholder will continue to receive a monthly infraction until the reimbursement is completed.
